Monthly Status Report
12/2/14

Richard A. Berman
Richard M. Berman, U.S.D.J.

Dear Mr. Halem:

This correspondence is in response to the Court's request for a written monthly status report regarding Mr. D'Souza's performance of community service hours, participation in counseling and compliance with the regulations of the residential re-entry center (RRC). This report covers the time period of November 24, 2014, through December 1, 2014.

Mr. D'Souza has completed an additional eight hours of community service. His supervisor at the school where he performs the community service is Alejandra Saavedra.

Because of his attendance at the status hearing on November 24, 2014, and the subsequent Thanksgiving holiday, Mr. D'Souza has not attended any additional therapy sessions since the report dated November 20, 2014. He is scheduled to meet with his therapist, Dr. Marshal, tomorrow. //

According to his RRC case manager, Leilani Haslop, Mr. D'Souza continues to be in compliance with all the rules and regulations at the RRC.

Very truly yours,

Kathy Schwarte
